## ABOUT

I am a goal-oriented front-end junior web developer with a corporate communications and PR background, enthusiastic about constantly learning new technologies and building, modifying, and fixing amazing web applications. I bring a broad range of abilities to any team I am part of, such as strategic thinking, problem-solving, and teamwork skills.

Looking for a junior web dev position where I can grow and develop my skills.

***\*I have a valid visa to work in Spain.***

## LANGUAGES

- English (bilingual)

## WORK EXPERIENCE

### Insurance Agent (Madrid, Spain)

Transcom | Jan 2020 - Jan 2021

- Counselling customers on choosing the insurance cover that's right for their needs.
- Negotiated renewal prices with the company's clients and achieved KPI targets within the Customer Retention Team.
- Fully remote position that required working within a 10-person sales team.

### Corporate Communications Consultant (Bogotá, Colombia)

Dattis Comunicaciones | Jun 2017 - Aug 2019

- Designed and implemented internal and external communications strategies based on the resulting interpreted data of a previous communication audit.
- Developed internal communications strategies for the digital transformation of traditional companies.
- Liaised between the company's representatives and those of interest groups to establish cooperative relationships.
- Collaborated within a 4-person team to advise clients on emergency communications plans for the management of reputational crisis.
- Developed and maintained clients media visibility reports to support data driven decision on the team's PR strategies.

### Product Marketing Assistant (Bogotá, Colombia)

Fundación Arte y Escritura | Feb 2015 - Jul 2015

- Initiated and designed an email marketing campaign which obtained a 20% increase in sales.
- Authored content for the weekly newsletters sent to prospective clients.
- Fully remote work.
